Education

Portland Code Guild
(Apr 2016 – Jul 2016)

Graduated from the intensive 16-week Python-based Developer Bootcamp. The course's curriculum contained Django web-framework, Javascript, HTML5, and CSS.

PDX Code Fellows
(Jun 2015 – Aug 2015)

Took a 3 month evening course that covered the basics of Javascript, HTML5, CSS, Terminal Commands, Git, and Github.

Oregon Institute of Technology
(Sep 2010 – Jun 2013)

Completed 120 credit hours towards a Bachelor of Science in Cardiac Sonography.

Work Experience

Fred Meyer
(Aug 2013 – Jul 2016)

Front-End Supervisor
Managed all cashiers and service desk employees, handled all customer service inquiries and complaints, and fixed/troubleshot register issues.

Martolli's Pizza
(Jun 2005 – Jun 2013)

Kitchen Manager
Responsible for scheduling, ordering supplies, and hiring new employees.
